EAT YOUR WAY AROUND THE WORLD, 12 DISHES AT A TIME

Introducing the first two books in a new culinary travel series entitled **IN 12 DISHES**. These unique guides are sumptuously photographed and chock-a-block with invaluable information. These books are the ultimate, pocketable companion for the travelling food lover, helping them cut to the chase, culinarily speaking. Made for the food-lover, by two food-lovers, these books are for visitors who want a reliable entrée into local dining, without having to waste time. They're for when you want authentic food experiences and to rub shoulders with locals. Focused squarely on the cuisine of each city, these books are structured around 12 iconic dishes, with information that guides you to places where they can easily be found.

However, the books don't stop at just those 12 dishes. Restaurants listed represent much more than these essential bites - they are starting points for one's own culinary finds. Plus, each book includes foodie shopping guides, bar listings, dining tips from well-known locals, where to find food streets and more.

Shanghai in 12 Dishes is structured around iconic Shanghainese dishes such as shēng jiān bāo (pan-fried pork buns), xiǎo lóng bāo (soup dumplings), crab-braised tofu and red-cooked pork, and information on where to find them. There's also an itinerary for a day trip to Suzhou, a listing of bars with views and dining tips from a Chinese celebrity chef.

Ho Chi Minh City in 12 Dishes highlights dishes such as phở (soup noodles), bánh mì (baguette sandwich), bánh xèo (sizzling pancake) and barbecue among the essential dozen. As well, there's info on HCMC's *other* soup noodle dishes and advice on what to eat in frantic Cholon. There's the low-down on Vietnamese coffee and where to get a good one. Plus, celebrity chef and HCMC resident Luke Nguyen spills the beans on where he likes to dine in town. Addresses are in Vietnamese for ease of travel, and everything is gorgeously photographed, so you know exactly what you're aiming for. FEATURES OF EACH BOOK INCLUDE
